## Ledbury All At Sea, A Nautical Carnival

**Welcome**  
2019 Carnival Theme is  
**Ledbury All at Sea**  
**A NAUTICAL CARNIVAL**

The Ledbury Carnival and procession takes place every year on  
August Bank Holiday Monday,

This is our 45<sup>th</sup> year – Situated in the Town Centre,  
High Street, lower part of The Homend, Bye Street, Market House,  
St Katherine's Car Park, St Katherine's Hall & the Community Hall  
The Carnival is a community event and its aim is to provide a day  
of entertainment and enjoyment for all. Local and National Charities,  
Local Clubs and Groups use this event free of charge to fund raise.

We also congratulate 1<sup>st</sup> Ledbury Scouts on its 100<sup>th</sup> Anniversary.

Park and Ride is available from Hazel Meadows on Ross Road HR8 2LP.

---

A warm welcome to this year's Carnival. Many of you will be aware that, following the retirement of 3 long serving committee members, Hilary Jones, Clive Jupp and Pauline Bates, the future of the Carnival was in doubt.

In January I was appointed Chairman and was joined by several new committee members to work alongside the remaining committee with the aim of continuing this great tradition. I have a long history of involvement with Ledbury Carnival mostly taking photographs and managing our web-site. Yes, I am the man in the orange tabard who can be seen running around on Carnival Day, mobile phone in hand, taking photos and videos.

I have spent most of my life in this charming and friendly town. Many of you will remember my Dad 'Des' who ran the Chinese restaurant in Bye St. during the 1980's. Everyone loved his curries and Chicken Maryland. Please don't ask me for the recipes, sadly, I can't cook!!

On to this year's carnival, 'Ledbury All At Sea', a Nautical Carnival. I wish you all a fantastic day and hope you will support the local organisations, charities and stalls who will be taking part.

Johnny Chan, Carnival Chairman 2019

# Carnival Princess 2018

Many thanks go to last year's Carnival Princess Niamh Hogan and her attendants, Sophie Fleeting and Amelia Tustin. Thanks to their parents for their support.

On 23<sup>rd</sup> March, they attended a celebration afternoon tea at the Talbot Hotel in New Street. Thanks to Andy and Maria Ward for their generous hospitality.

Here are some comments from last year's princess and her attendants

## Comments from Niamh

Being Carnival princess is a big responsibility as you have to go to lots of events. At the carnival procession, I got to ride in an open top car, it was really fun. You get to go to tea parties and they are fun and exciting. It is a lovely opportunity as you get to meet other people. Thank you for letting me be Carnival Princess 2018. I have really enjoyed my time as Carnival Princess. Thank you.

## Comments from Sophie

My time being a carnival attendant has been wonderful. It has gone from having a sweet afternoon tea with my mum, to speaking to people I would have never talked to. My confidence levels have risen as I am not so nervous about talking to adults anymore. Not only have I spoken to councillors, I have never met before, but I have made two lovely friends, Niamh and Amelia. Opening the October fair was really fun. We got to have a free ride on the waltzers and the Bumper Cars. On Carnival day, I felt like a celebrity! We got driven around in a convertible Mini with people waving at us all of the time. We got money to buy gorgeous dresses and a pair of shoes. In December, we got to turn on the Christmas lights. Before we turned them on, they provided us with a tiara and something fluffy to put our hands in so we didn't get cold. I would recommend this incredible opportunity to every girl who wants to be treated like a princess.

## Comments from Amelia

I've had a fantastic year. I couldn't believe I was chosen to be one of the carnival princess attendants. I was very nervous on the day but the judges were really friendly, it was a dream come true. The actual carnival day was totally amazing it's been the highlight of my year; it was so special to be part of the carnival procession. Turning on the Christmas lights was a real magical event and the Ledbury lights looked beautiful. Opening the October Mop Fair was by far one of the most exciting events over the year and being one of the first to ride the waltzers with the other princess was so much fun. It's been a real privilege to be part of the Ledbury Carnival and I wish the new princesses for 2019 lots of luck and remember to smile lots and most importantly have loads of fun plus you'll need lots of lovely dresses. Thank you to everyone involved for giving me this opportunity, one that I will remember and cherish forever. We can't all be stars but we can twinkle.

# Ledbury Carnival Association

## Information for those who would like to take part in the procession

### Safety Policy Statement

The Ledbury Carnival Association recognises and accepts it has a duty for providing, so far as is reasonably practicable, a safe environment for all who take part in, or attend, any Carnival activity.

The Carnival Association considers that all persons taking part in the Carnival should accept and take their share in the duties and responsibilities contained within this policy statement and the provisions below.

### Safety Policy Provisions

1. An adult representative of each entry must register with the committee and sign for receipt, understanding and agreement to comply with these provisions. This representative will be the 'responsible adult' for their entry and will enforce the following provisions.
2. The appointed "responsible adult" must not be the driver of any vehicle.
3. Pedestrian members of the procession must keep clear of motorised vehicles in the procession. Adults must accompany children to ensure that they maintain appropriate clearance.
4. Members of the procession participating in the "bucket collection" may not travel on a float. Those carrying buckets must walk along side and approach spectators to drop money into the bucket; no encouragement must be given to spectators to step off the pavement and throw money.
5. It is the responsibility of the driver to ensure that any vehicle taking part in the procession is fit for that purpose. The Carnival Association reserve the right to exclude any vehicle it deems unsafe, but this does not remove the responsibility from the driver for ensuring safety.
6. Drivers are responsible for ensuring that all road traffic regulations have been met for the vehicle, e.g. Tax, MOT, Insurance, Fire Extinguishers, etc.
7. The driver must ensure that all fittings, e.g. scenery, chairs, podiums, etc. are attached or located such that they do not pose a risk to the people on the vehicle or any third party.
8. No passengers will hang feet over the edge of a vehicle side.
9. The "responsible adult" must ensure that no passengers on a vehicle approach the edge of the vehicle. Suitable ropes, holding points, seating or harness should be available for all passengers.
10. No passengers shall throw items, such as sweets, from the float. Providing sweets for spectators is an activity restricted to walkers who must approach spectators to give out sweets.
11. Any restraint system fitted to a vehicle must be "fit for purpose".
12. Motorised vehicles must attempt to keep moving at all times and must not exceed 5 miles an hour.
13. A smoking ban including vaping, operates at all points in the procession.
14. An alcohol ban operates at all points in the procession. The Carnival Association reserves the right to exclude any person from the procession if in its opinion that person is suffering from the effects of alcohol.
15. A drug ban operates at all points in the procession. The Carnival Association reserves the right to exclude any person from the procession if in its opinion that person is suffering from the effects of any drug.
16. Any person taking prescription medication may only enter the procession on the advice of their Doctor. Where appropriate such persons must ensure that an adult, who is fully aware of their condition and any emergency actions that may be required, accompanies them.
